

JTK

Our Mission

Major Advantage China Price with Indian local services. To Provide Best Products and Services at Customers Very Need

Vision: To Support Indian Electronic Manufactures. And international company in India's Branch. To provide extraordinary production and services.

Located in Industrial area Bangalore
Customer support Sales and logistic
Product development and Samples making

JTK TECHNOLOGY INDIA PRIVATE LIMITED

To Provide Best Products and Services at Customers Very Need

General Information

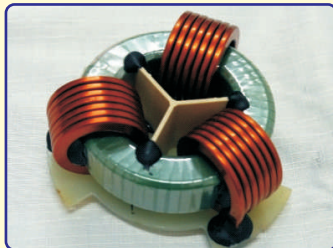

JTK Technology (Suzhou) Co., Ltd. established in 1998, in China, for designing, manufacturing and exporting various kinds of inductors, electronic transformers, inverters, and wire harness. Applies in lighting, green energy and home appliance industry. By 2018 JTK group has over 1200 formal employees, over 40 professional research and development staff and annually 1.3 million USD R&D investment. Our annual unit productivity is over 400 million units, annual sales revenue over 33 million USD by 2018. JTK has established comprehensive quality control system, we are certified with ISO9001 and ISO14001, also certified in UL system, CQC and TUV certifications. Which ensures our high standard quality product. With years outstanding management, JTK has sustain and supported many international electronic companies such as GE, Schneider, Samsung, Haier, Shakti Pumps, Delta and still expanding its customer group.

JTK Headquarter

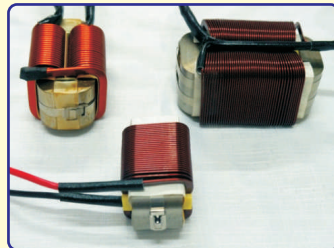

Locate in Suzhou, Jiangsu Province. 70km west of Shanghai.
Over 18000sqm facility for production, R&D and business office.

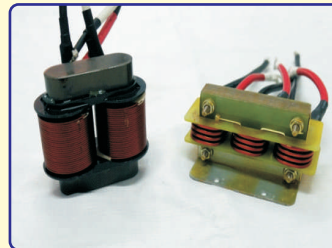

Our Products

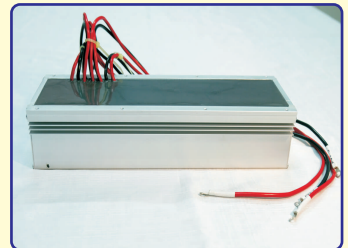

Complex Edge Winding Chokes

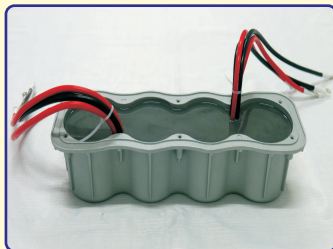

Edge Winding Amorphous Chokes

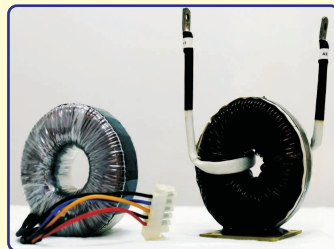

Complex Edge winding choke

Potted Inverter Chokes

Potted Inverter Chokes

High Power Toroidal Transformer, Inductor

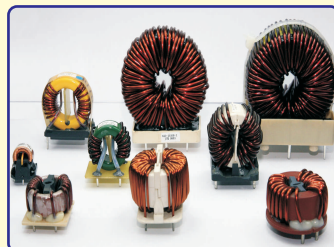

E-type Encapsulating Inverter and Inductor

Ring-shaped transformer

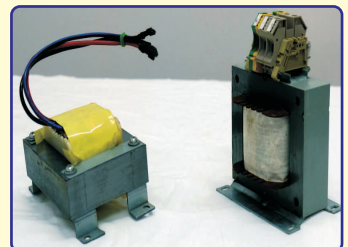

Edge Winding Chokes

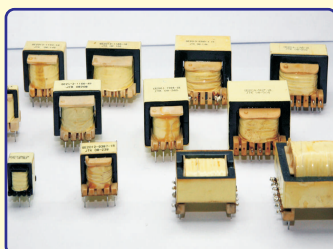

Loop Inductance, Reactance and Transformers

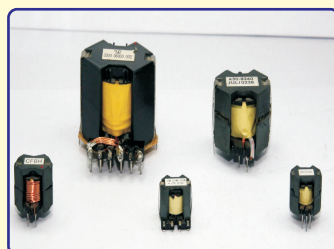

Common Mode Chokes and Current Transformers

High power, low frequency transformer, reactor

EE,EF,EI High Frequency Transformer

PQ,RM Transformer

Edge Winding Block Shapped Inverter and Inductor

Large Size High Frequenc Transformers

Certificates

Quality Recognition Certificates

ISO9001,14001 Certificates

Auto Winding Machines

Full Auto Production Line

Auto Winding Capacity

Coil Full Auto Production Line

Automatic Equipment

Larger Toroidal Winding Machine

Auto Flat Wire/Edge Machine

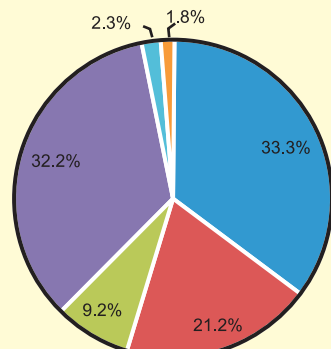

Auto Vacuum Potting Machine

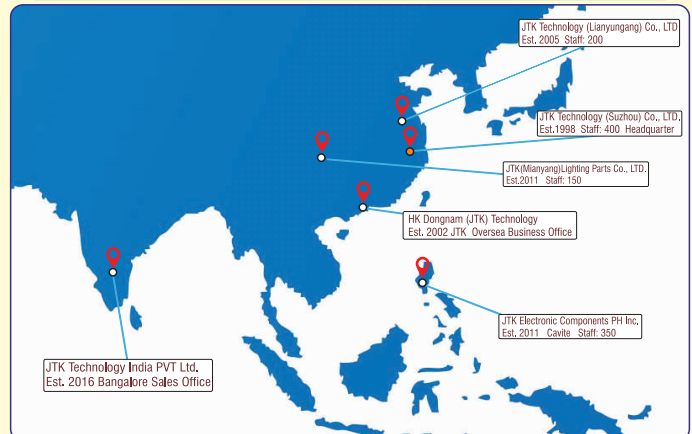

JTK Customer Category by Industry

Revenue % per Industry

- UPS/Power Supply
- Lighting
- Home Appliance
- Solar
- Electronic Vehicle
- Others
